VIKINGS HAVE CONQUERED

The year began and passed in such a short length of time. The reaction of events, the suspense of the games, and the feeling achieved from victory were all happenings in a Viking's life. Students were chosen for positions of leadership, and fulfilled their jobs completely. Participation was not just another word, but an action. The success and praise of Airline was carried out through the splendid unity of the students and faculty. The way of the Vikings was led by the unity present in all. Spirit also reigned supreme. The air of confidence in the players was brought about through the spirit in which they were backed. Every student was filled with Viking pride. Truly, Vikings have conquered.

. . . WITH KNOWLEDGE

Knowledge was a goal for all Airline Vikings. To conquer such knowledge one had to be dedicated in every necessary way. Visual aids, mechanical and electrical equipment, not to mention books, were all sources used in distributing the lessons to be taught at Airline. Instruction also played an important part in the amount of knowledge acquired by each student. Teachers conveyed to students what they had been taught in various schools. In this way and in many others, Vikings have conquered one of the most needed and important requirements in life — knowledge.

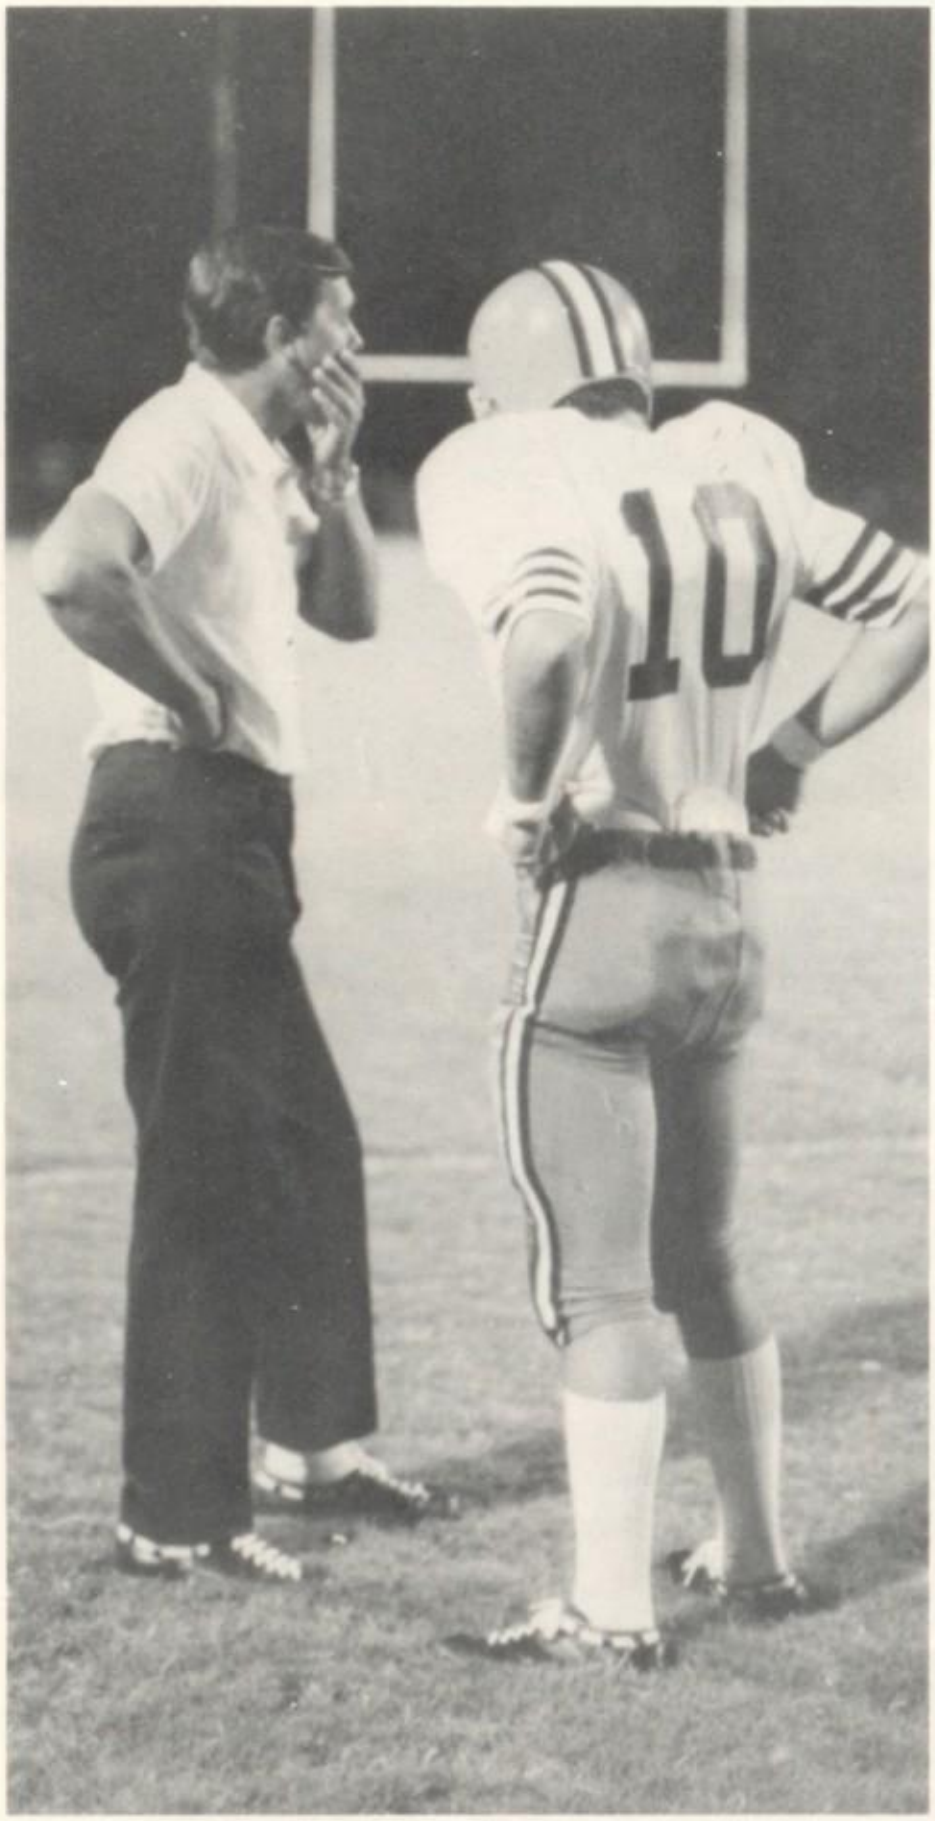
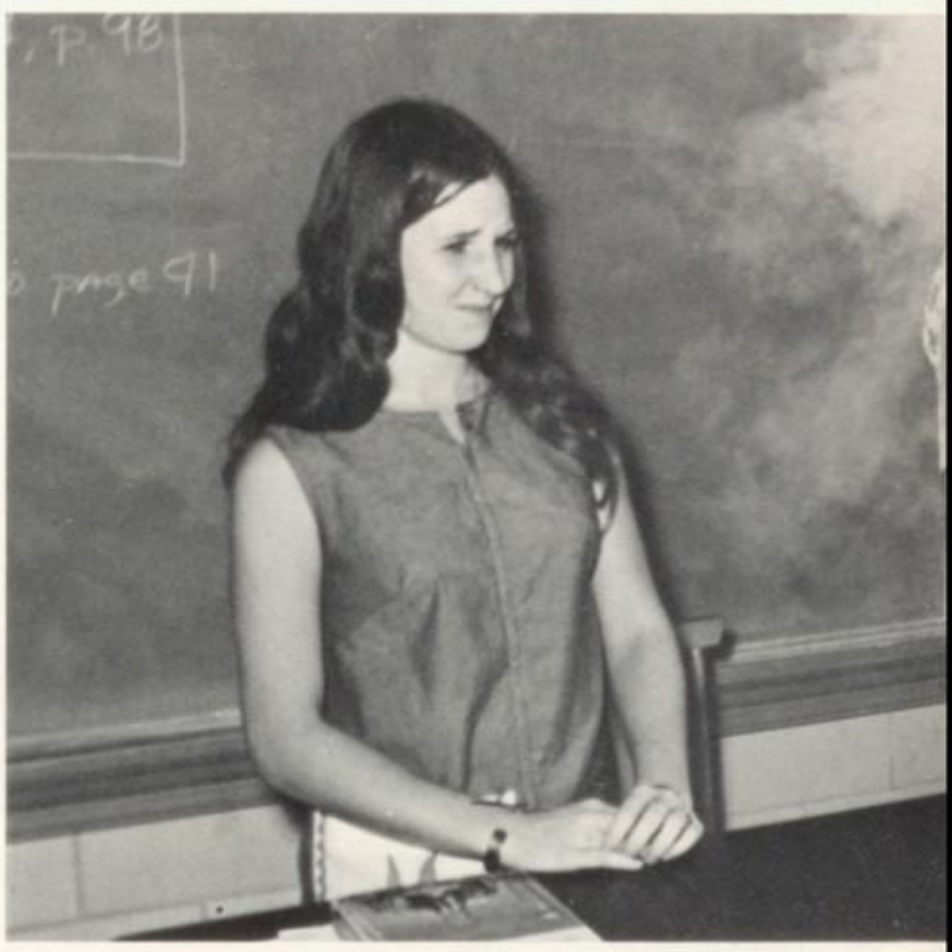
BELOW: Quarterback Steve Haynes was instructed on plays to be made.





. . . WITH PARTICIPATION

Not only knowledge, but participation was a factor in which all students strived to conquer. Vikings were involved in many things, not only to improve and better the school, but for the community and world outside. Each student was involved in their class studies. Many also participated in extra curricular activities such as football, band, and pep squad; clubs also served as a way in which to get the students at Airline involved. Standards were set, and the Vikings fought and worked to keep the name of Airline on top.

. . . WITH UNITY

The student body, faculty, and administration this year, were all linked together as one unified body. This led to the superiority of the Vikings in all aspects. Airline succeeded in all endeavors due to this unusual unity. Each individual joined together for one purpose — the betterment of the school. Throughout the different organizations of the school, this certain togetherness prevailed. The unity which enveloped each student at Airline caused a reaction of pride and dignity for their school.

OPPOSITE PAGE, LEFT: The togetherness of all school activities — unity. TOP CENTER: Football players were all united in one goal. BOTTOM CENTER: Each class was brought together with spirit, love, and pride. ABOVE: Posters were made by many students to support the team.

. . . *WITH SPIRIT*

The enthusiasm and activities of the students at Airline were defined in one word, spirit. Classes made posters and presentations and the cheerleaders and pep squad led cheers to arouse spirit before games. Such events as pep rallies and bonfires were held to bring forth the energy and vigor in each and every student. These events were held to make the students spirited, although many people did not need them. Some students had an inward spirit for the school and football and basketball teams. The gymnasium roared with cheers during basketball games and the stadium rumbled during the playoff games. To be triumphant in any attempt, there had to be spirit prevalent. We proved to have had this spirit by the accomplishments brought forth.

. . . WITH LEADERSHIP

Leadership involved many persons at Airline High School. Excellent teachers were employed to lead and teach students in classrooms, but many were also included in leading groups in unique ventures. Also students served in positions of leadership. To attain the highest of standards in any organization, there had to be outstanding leaders. Not only did Airline have good leaders, but great teachers as advisors. Each organization chose their leaders in order of their qualifications and capabilities. The result of such specific selection proved useful in the success of projects. As a result of this leadership, Airline remained victorious.

BOTTOM CENTER: Susan Loughner stopped to pay respects to the school mascot. TOP: All students had respect for the school, especially the Viking. BOTTOM LEFT: Reaching out — a Viking's way of life.

. . . WITH PRIDE

The goals that were set for the year were high ones; the Vikings took pride in reaching them. Without the courage and dignity put forth by all, we would not have had the right of being proud of our accomplishments. As it went, the Vikings took pride in their work and flourished. Many students took a special interest in the Airline mascot. In history, Vikings were vivacious, proud men who upheld their beliefs. Airline Vikings also had these qualities and proved them in their actions. Airline High School became an example of leadership, unity, and pride to all other schools. Possessing such qualities as these instilled a pride that unsurpassed all.

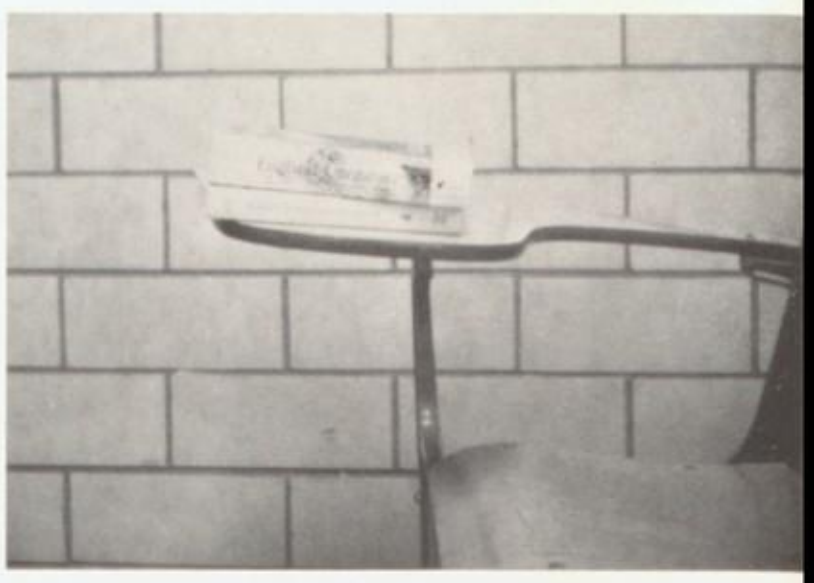
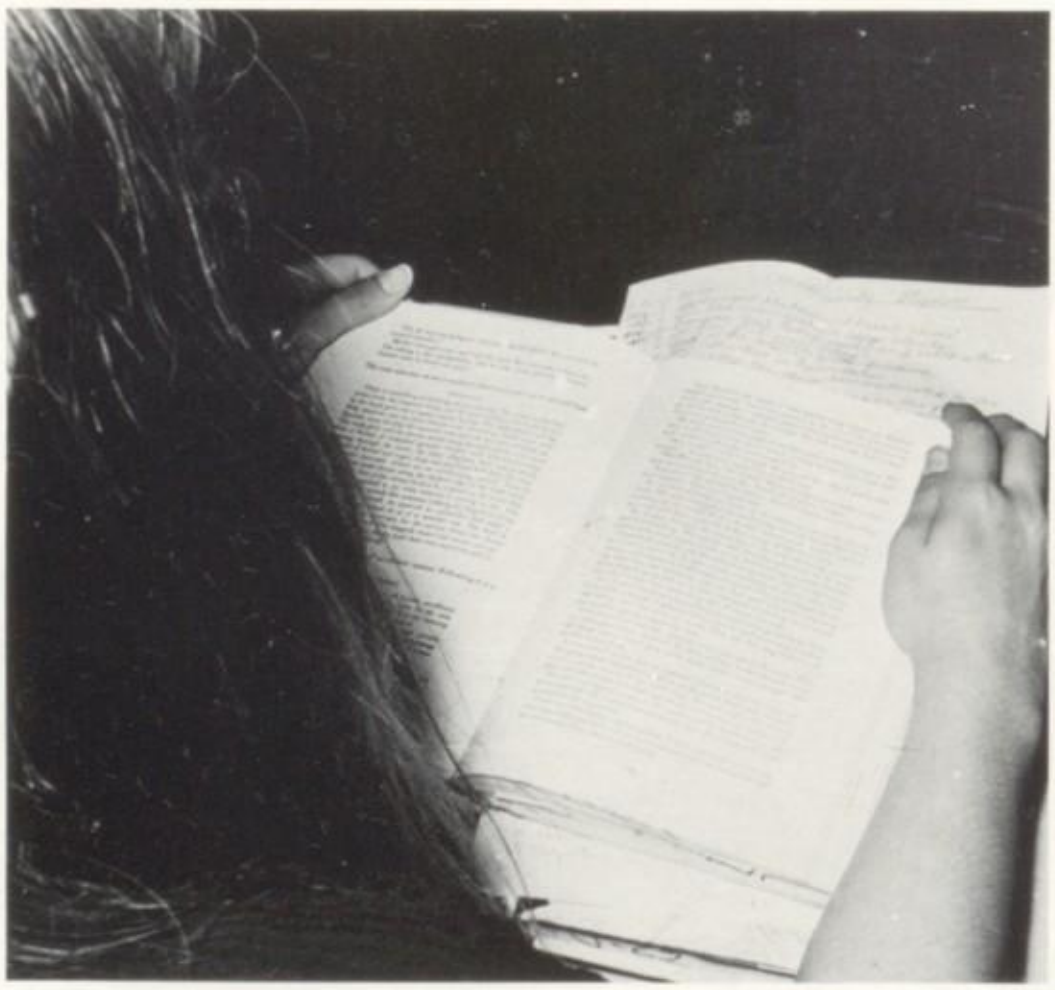
English

Because speaking English is a part of our daily lives it is very important to learn the correct way to express ourselves.

In addition to learning good grammar students are introduced to both modern and classical literature. There is also an emphasis on building vocabulary. Because of their increased vocabulary students are better able to comprehend their studies.



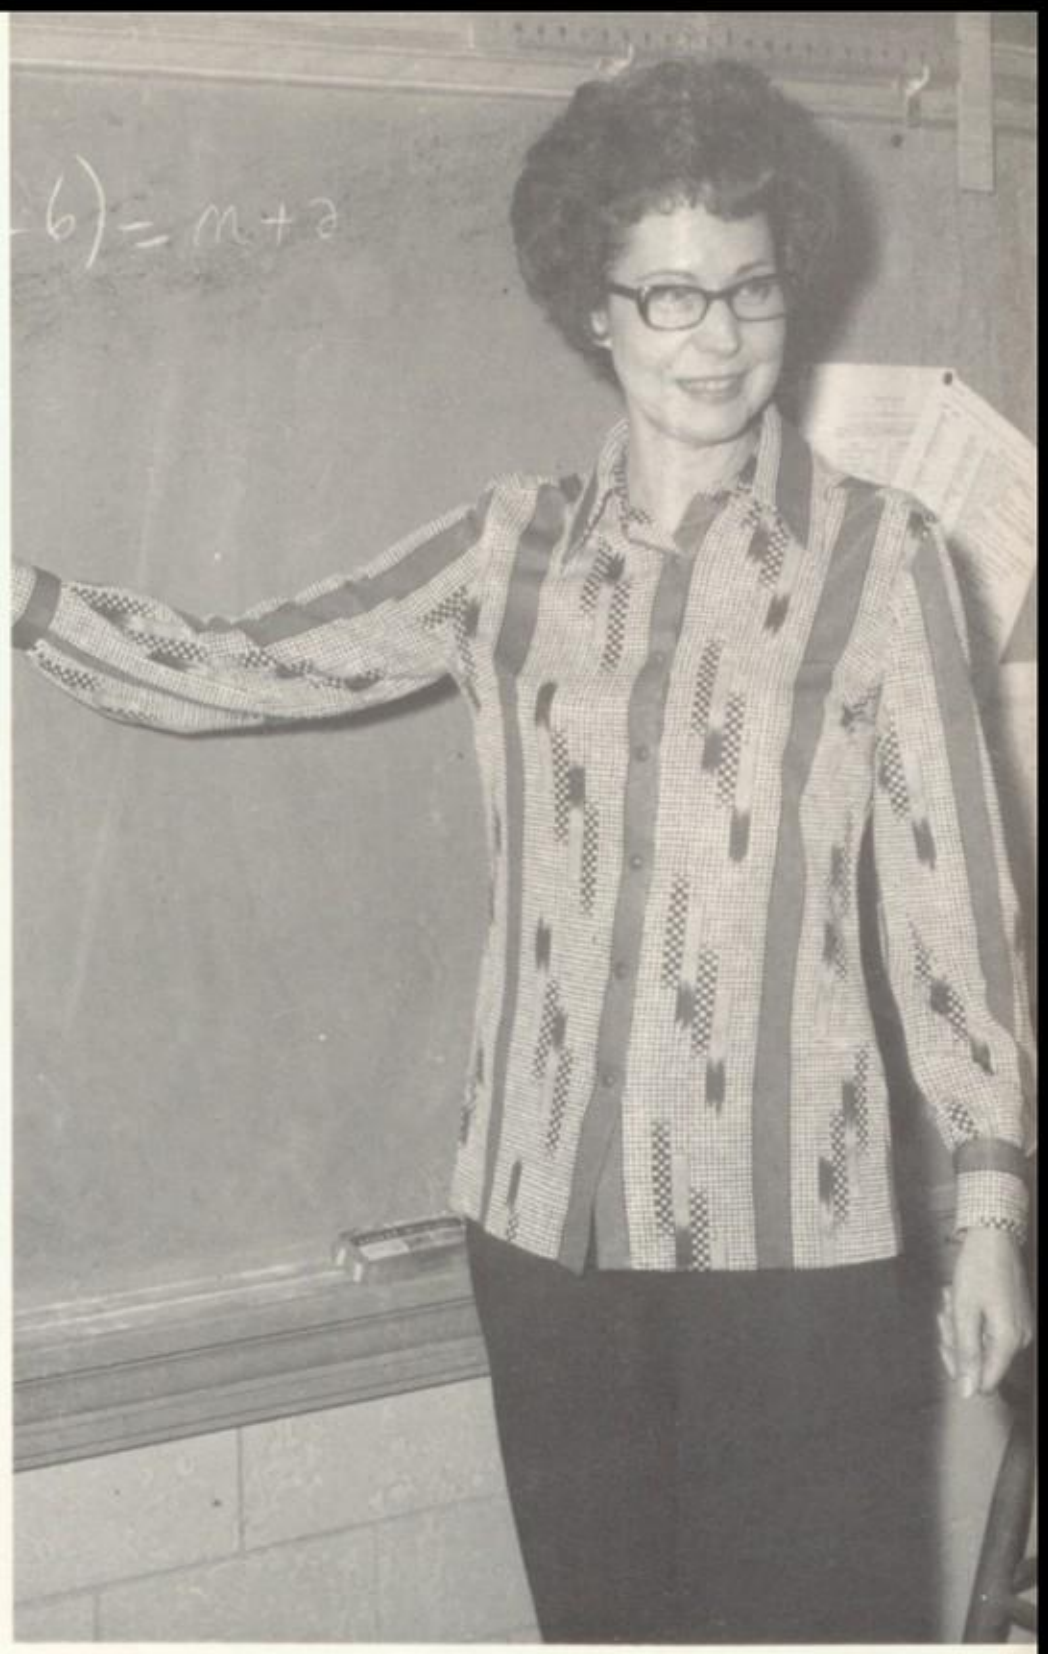


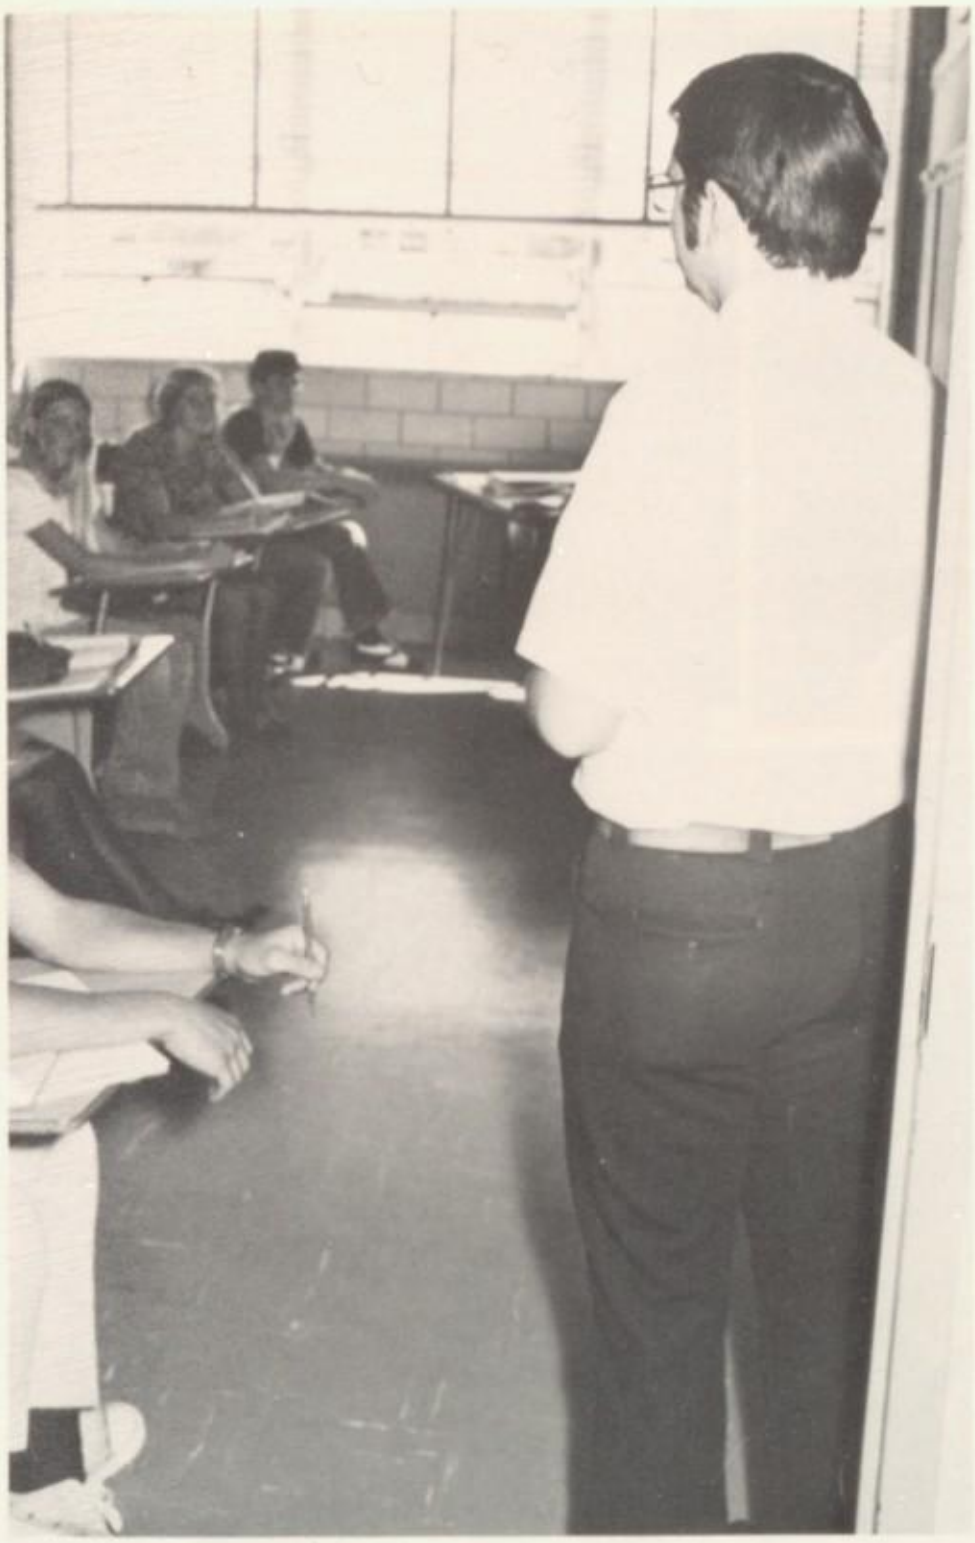
TOP CENTER RIGHT: Mrs. Stephens emphasized a point in her English class. TOP RIGHT: Mrs. Estess explained sentence construction. BOTTOM RIGHT: Mrs. Hall graded papers in her spare time. OPPOSITE PAGE, MIDDLE: Mr. Parnell pointed out an error to Mike Dooley. OPPOSITE PAGE, BOTTOM: Practice made perfect. CENTER: Everyone knew the answer in this class.

Mathematics

Addition, subtraction, multiplication, and division may seem elementary to us now, but to ancient man it was a giant step forward. Today, modern man still realizes the importance of these "elementary" methods in more complicated forms of mathematics.

In addition to general math, Algebra I, business math, and geometry, Airline also offers the college preparatory courses of Algebra II, Trigonometry, and advanced math.



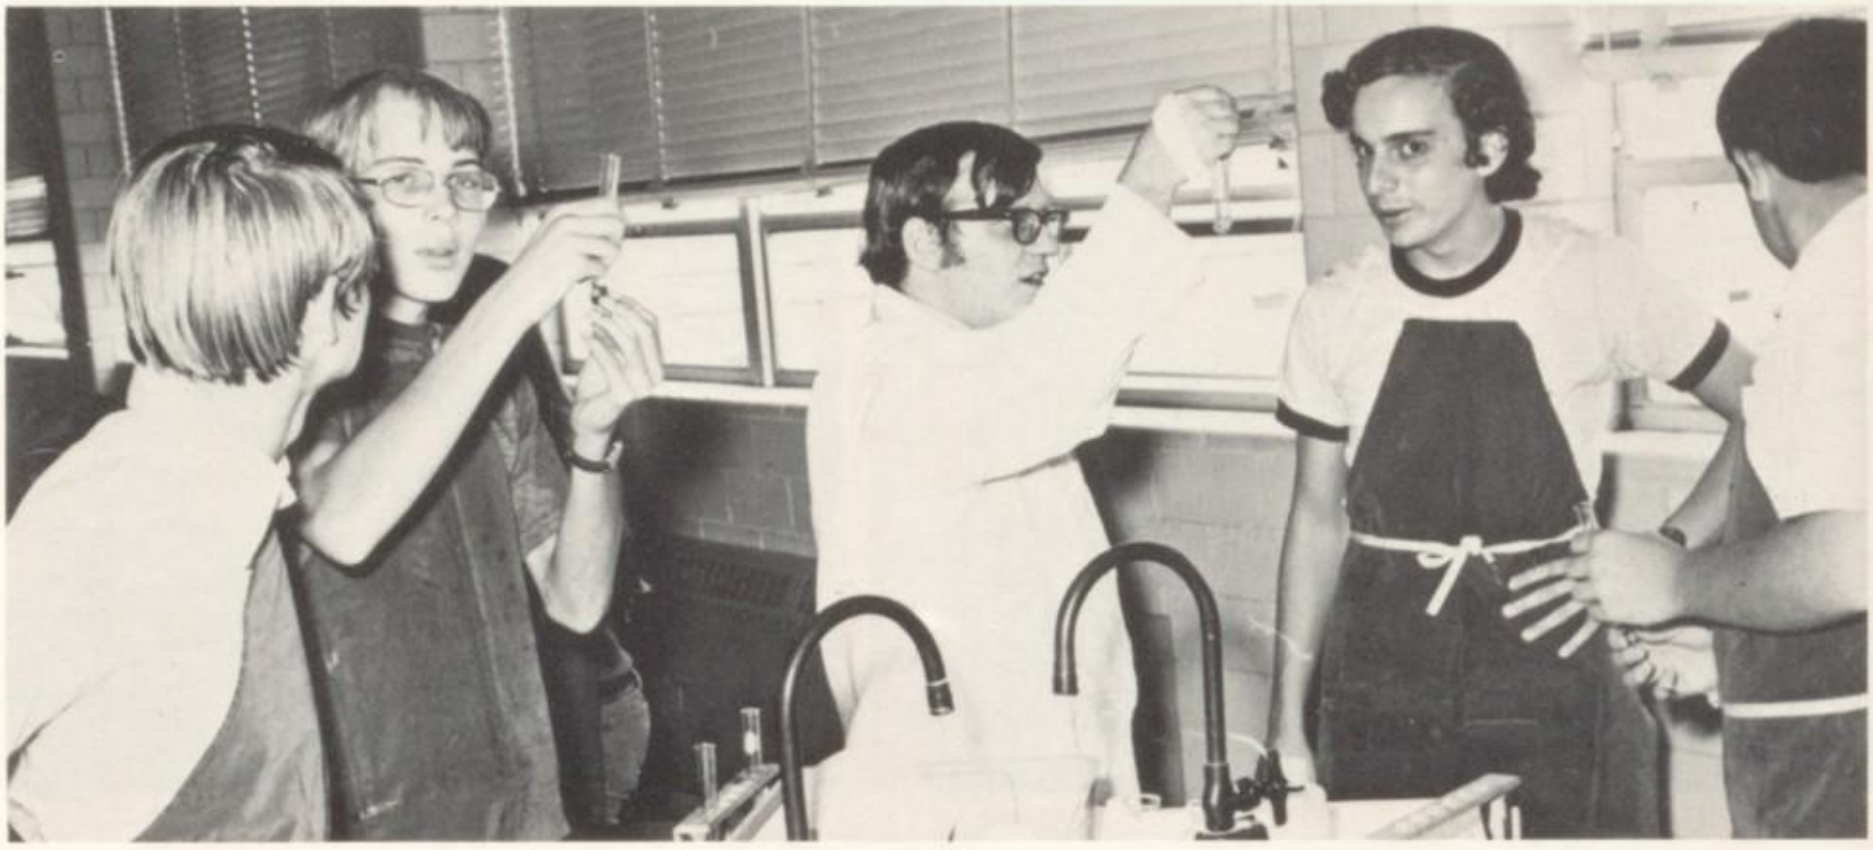


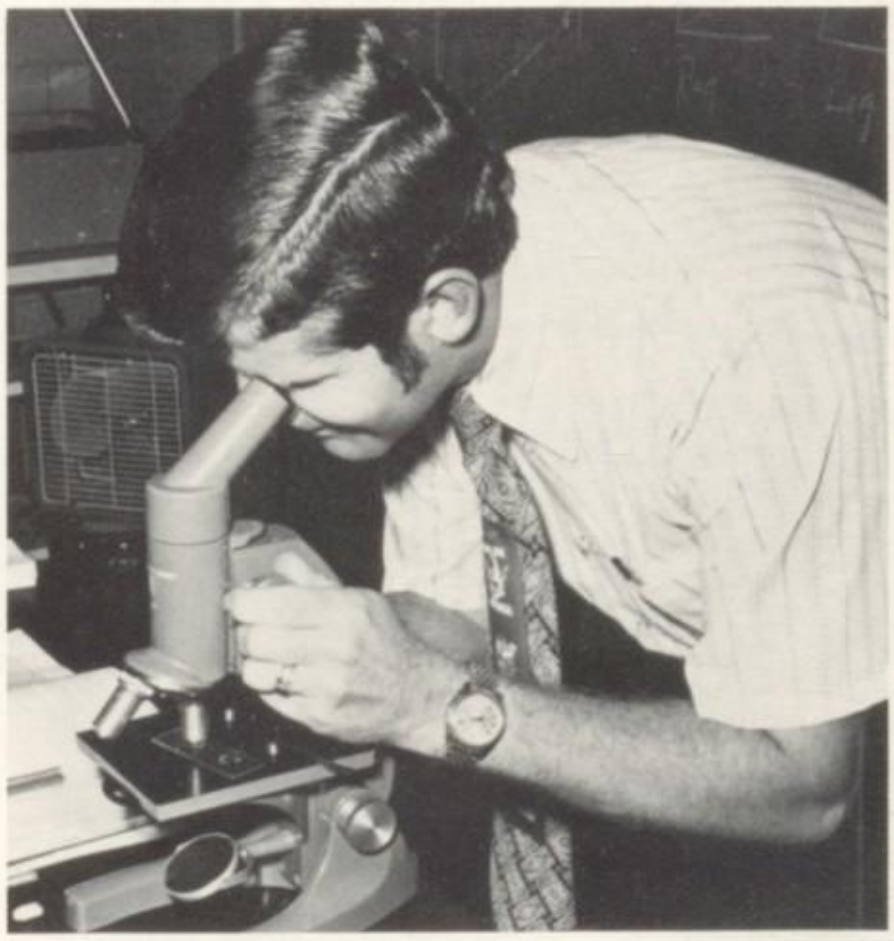
OPPOSITE PAGE, TOP LEFT: This was a familar sight near the Algebra classes. OPPOSITE PAGE, TOP RIGHT: Mrs. B. Cox explained a problem to her students. OPPOSITE PAGE, BOTTOM LEFT: Mrs. M. Cox was ready to help students with their work. CENTER: Mr. Fulgham did a problem on the board. TOP LEFT: Mr. Vaughan watched the class during a test. TOP RIGHT: Mr. Chisum talked to Mark Opperman. MIDDLE RIGHT: Mrs. Samuels explained how to add positive and negative numbers. ABOVE: Students used class time to study for a Math test.

Science

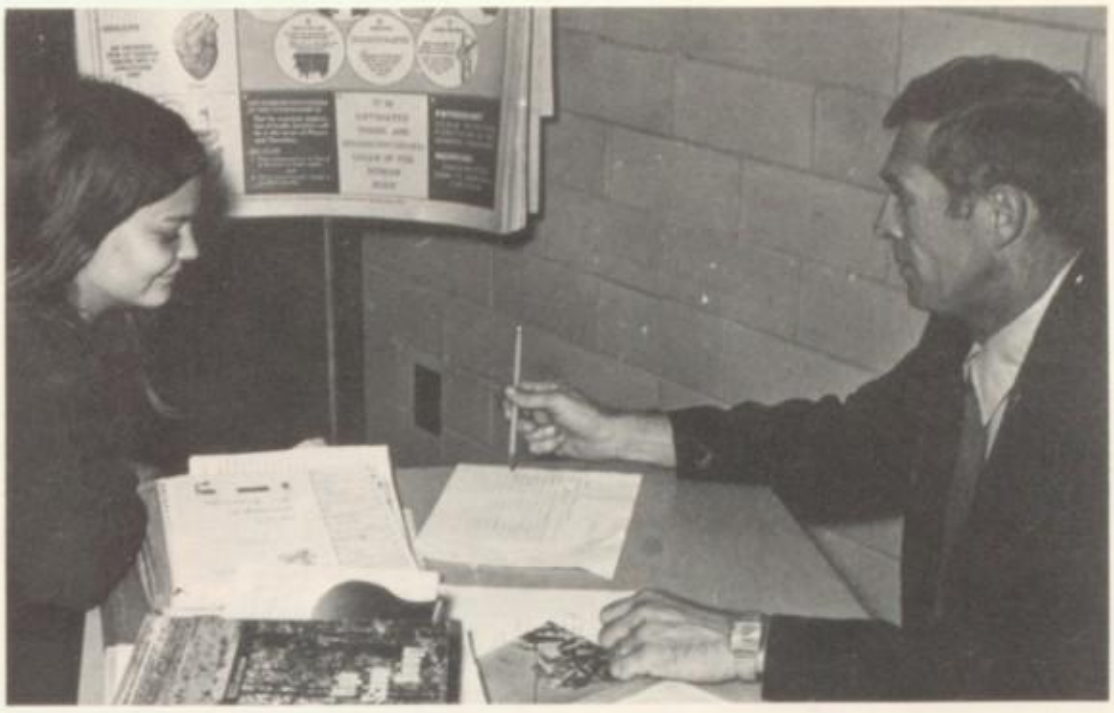
In science we learn more about ourselves and the environment surrounding us, therefore, science courses play a large role in educating students everywhere.

At Airline, both lecturing and laboratory experimentation were a part of the curriculum in each science class. By the use of experiments, students could "learn by doing." In some classes students were also required to do a project of their choice which further developed their ability to work independently.





MIDDLE: Mr. Mandeville examines a test tube during an experiment. BOTTOM LEFT: Mr. Hinkie explained the difference between acids and bases. BOTTOM RIGHT: Mr. Carson demonstrated the use of microscopes.



TOP LEFT: Mr. Humphries class was kept busy with many projects. TOP RIGHT: Mr. Graves gave extra help to this student. MIDDLE: Snoopy Wilson used the centigram balance. BOTTOM LEFT: Mr. Jones does an experiment for his Chemistry class. ABOVE: Mr. Hill instructed his class on the use of the Periodical chart.

Social Studies

Social studies is just that, a study of the rise of man throughout the ages. Airline offers a wide range of courses which enables any student to learn more about their country as well as other nations. Some of these courses were civics and American history which were required, also world history, world geography and American government were offered.

BELOW: Doug Wynn pointed out the answer. CENTER: Mr. Walden supervised his class. BOTTOM: Mr. Bryant helped a student with her reading assignment.

Business

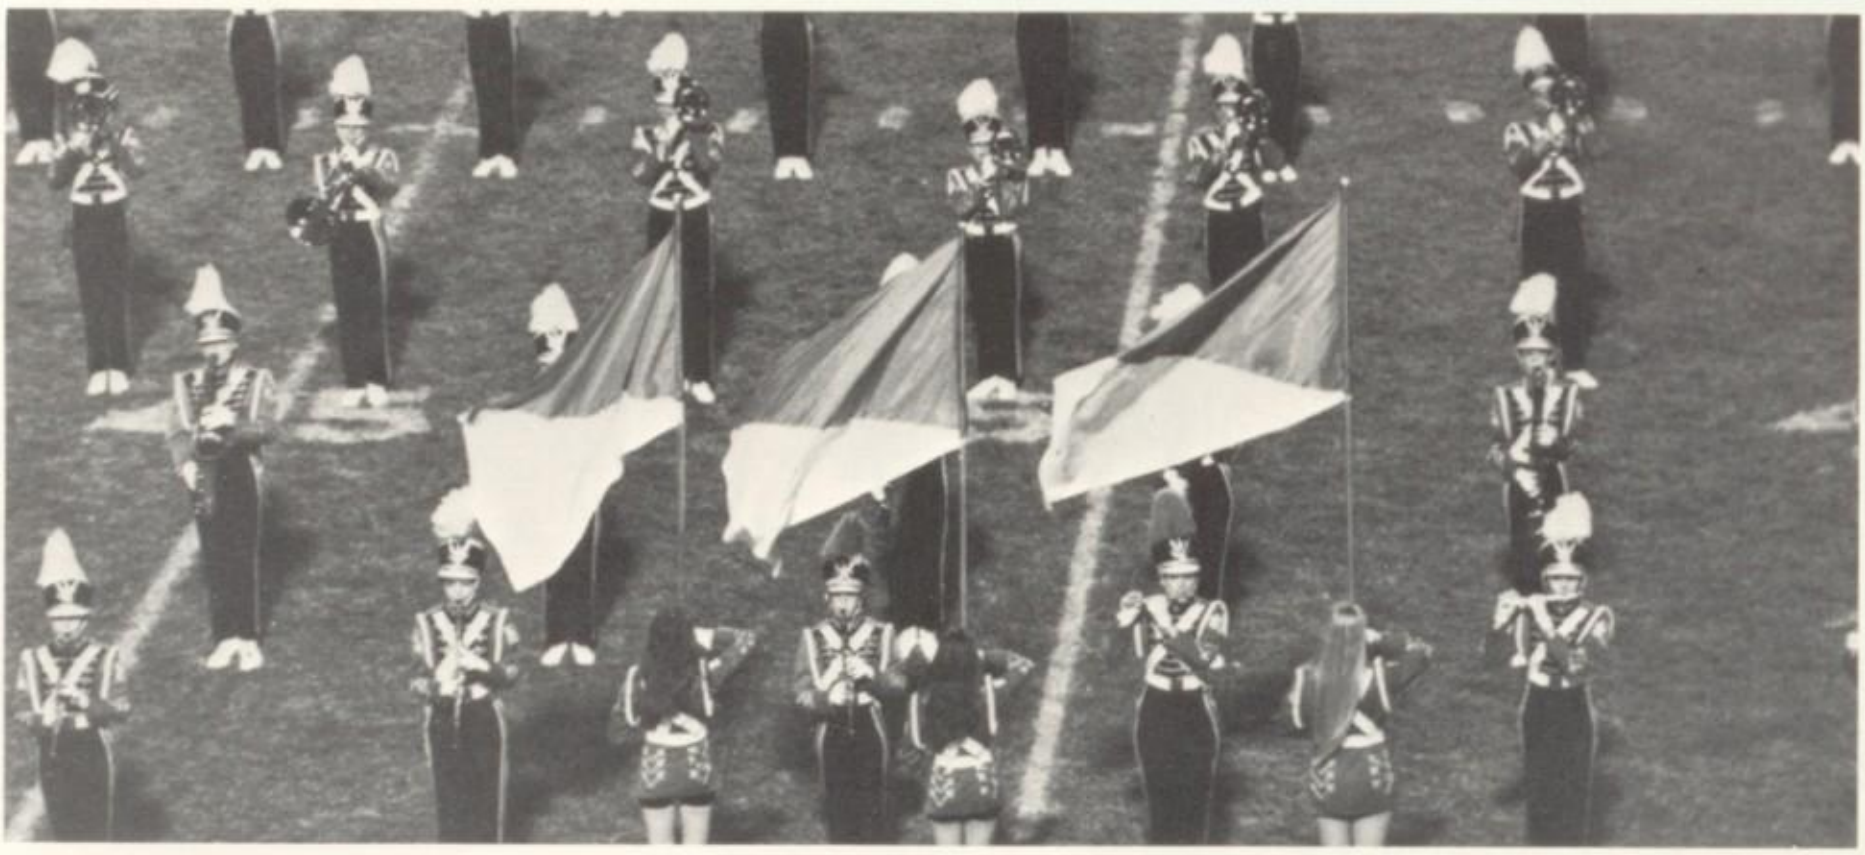
Because of the wide range of careers available to those who have some business experience, many students chose to take some or all of the business courses offered at Airline. Also many students realized that subjects such as shorthand and typewriting would be useful to them in other classes and in later life.

TOP: Mrs. Adkins graded papers in her shorthand class. MIDDLE: Mrs. Blackburn gave the lesson for the day. BOTTOM: Kay Haynes asked a question.

Music

Because of the interest in vocal and instrumental music, many students at Airline became involved with either the choir or the band. Each group worked extremely hard to bring entertainment in the form of half-time shows at football games, parades, and in musicals.

TOP: Members of the choir practiced a new song. MIDDLE: The band performed a new routine. BOTTOM LEFT: Practice was required of every band member. BOTTOM RIGHT: Mrs. Noonan helped some choir students.



Languages

The study of a foreign language offered many ways to solve the problems of communication between people.

Students learned to speak the language and also to write the language in addition to learning about the country itself. The use of the language lab helped many students in learning to pronounce new sounds. The languages offered were French and Spanish.

TOP: Mrs. Bucklew went over the assignment with her Spanish class. MIDDLE: Retha Morgan listened to Spanish records in the language lab. BOTTOM: Mrs. Graves helped her students with their French homework.

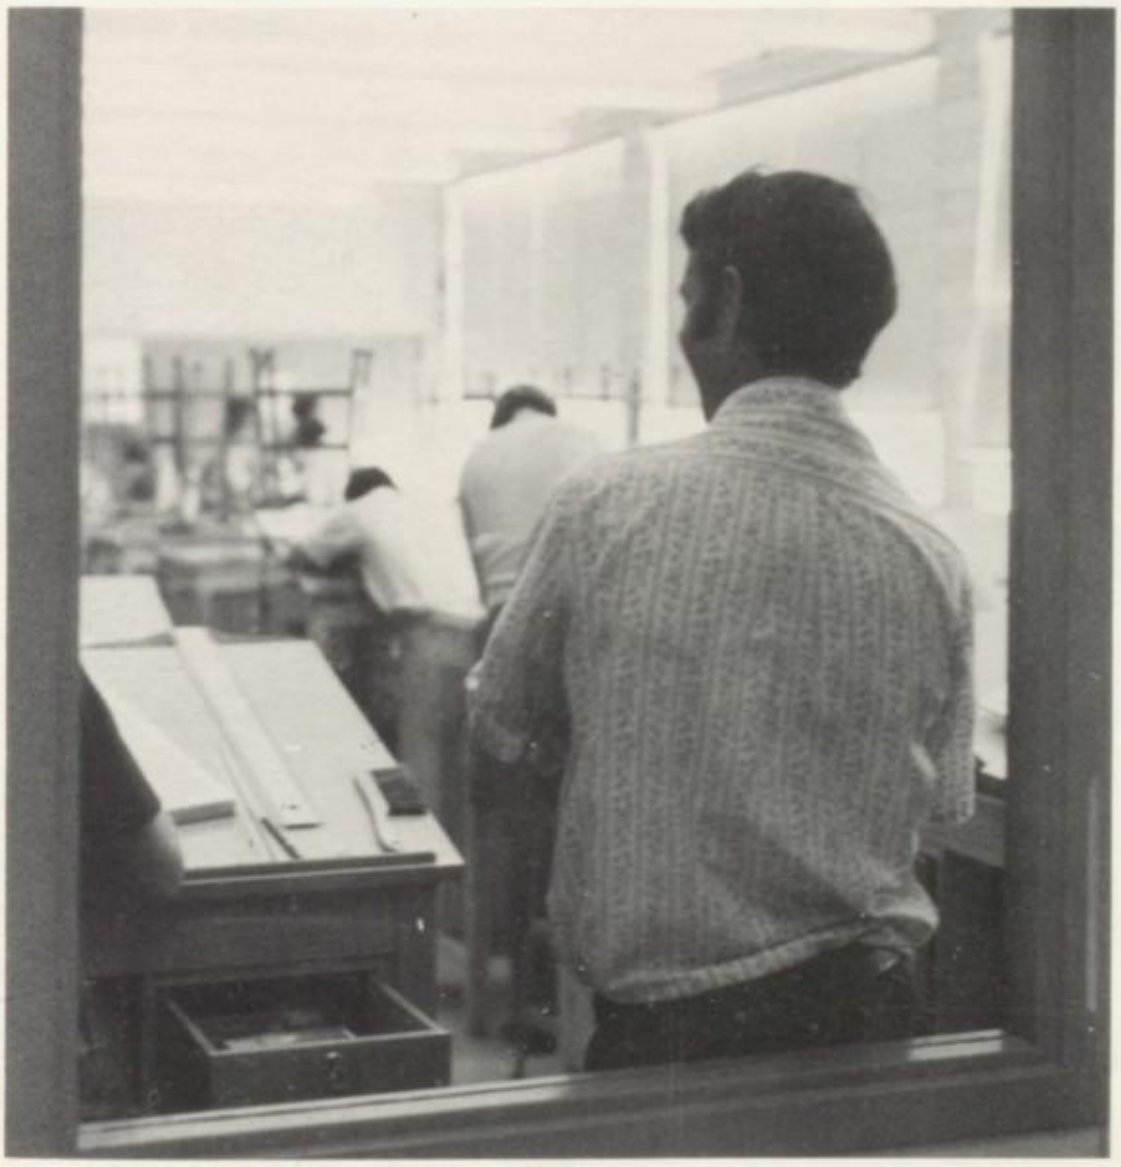
Physical Education

Everyone knows that to keep man in physical and emotional well being we must exercise regularly. The physical education teachers at Airline realized this important fact and helped students become more adept at playing such games as volleyball, basketball, football, baseball, and archery. Also as a part of our physical education, health and First Aid were taught.

TOP LEFT: These girls showed their enthusiasm for playing basketball. TOP RIGHT: Mrs. Williford was one of the sophomore P.E. teachers. BOTTOM LEFT: Basketball was one of the games the boys participated in. BOTTOM RIGHT: Exercise was a part of physical education.

Electives

Many elective courses were offered at Airline this year which helped students get courses they need in later life but which were not required for graduation. Some of these courses were woodworking, mechanical drawing, and electronics which were enjoyed mostly by the boys. Four years of Home Economics was offered for girls. In addition, many students went to the Skill Center.



TOP LEFT: Learning to cook was a part of Home Ec. TOP RIGHT: Art students were kept busy with their projects. BOTTOM LEFT: Mr. C. A. Walker supervised his mechanical drawing class. BOTTOM RIGHT: Mr. Malmay lectured to his class.

Electives

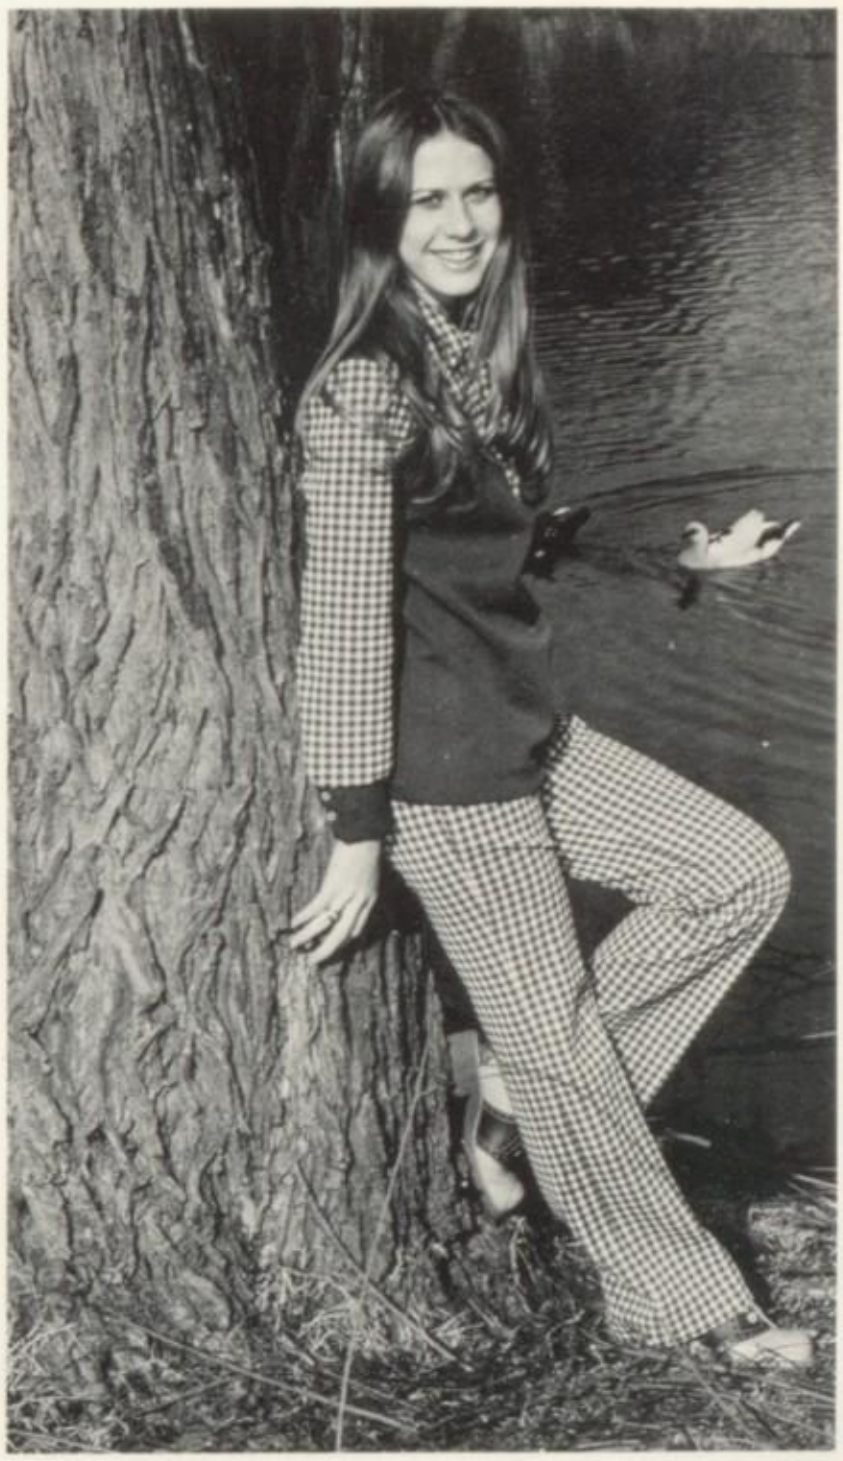
Mr. and

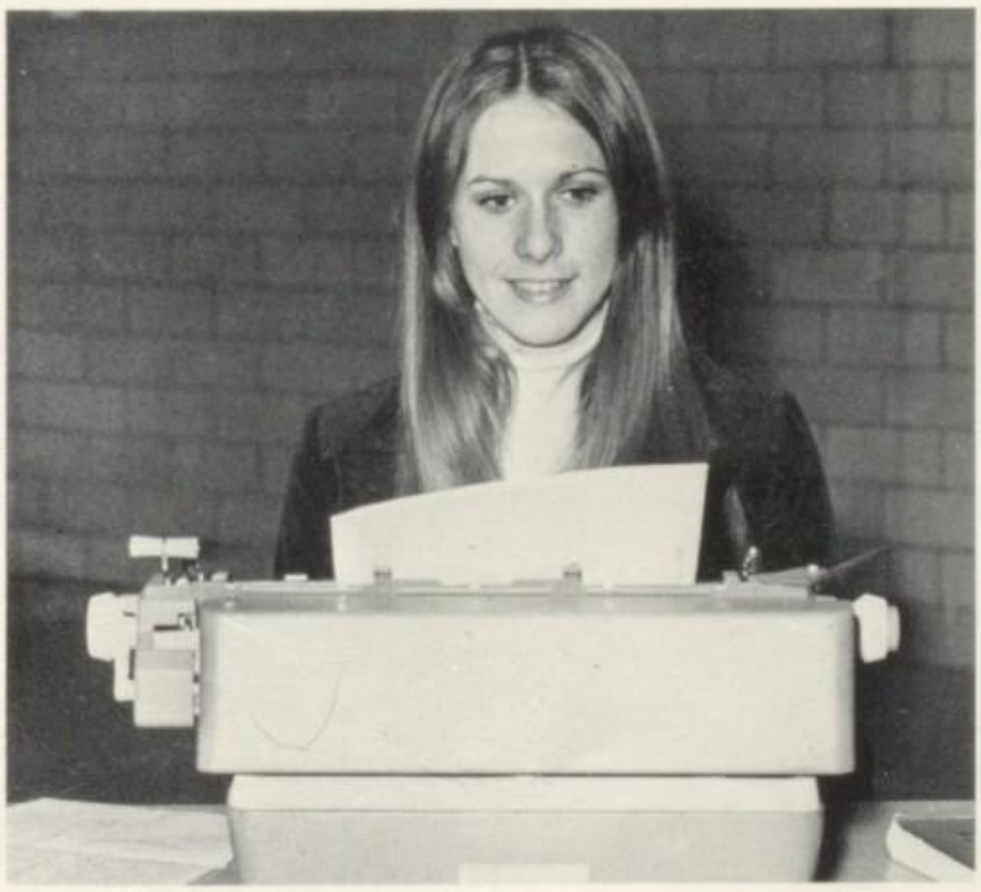
Steve Haynes

Mr. A.H.S. for 1972-1973 was Steve Haynes. Steve displayed all characteristics of being elected the most outstanding boy at Airline High School. Although his activities were centered mostly around sports, he held many scholastic honors as well. In his junior year he was chosen as a delegate to Boys' State and as a member of National Honor Society. Also, the students elected Steve class favorite as a sophomore and Viking Warrior in his junior year.

To say the least, Steve was an extremely active individual. Most of this centered around the fact that he was quarterback for the Vikings. He led the team as a junior and in his senior year took them to the State Play-Offs. Both his junior and senior years, he was named most valuable player by his coaches and fellow teammates. It is no reason why Steve Haynes was not elected Mr. A.H.S.

Miss A.H.S.





Brenda Love

Chosen as Miss A.H.S. this year was Miss Brenda Love. Brenda has attended Airline for four years, and within these four years she accomplished many things. Each year brought about new and more important ventures. Not only was she elected by her fellow peers to hold many offices, but her teachers deemed her with such honors as Outstanding Teenager of America and the honor of attending Girls' State as an alternate.

Her freshman year, Brenda began her activities and leadership for Airline. As each year progressed, she was involved in numerous activities until in her senior year, she gained deserving recognition from faculty as well as students. From her leadership abilities and outstanding character, one finds that Brenda was the best choice for the honor of being Miss A.H.S.

Parade Was Highlight of 1972 Homecoming

The entire student body was excited by this homecoming. Everyone went out and showed their true Viking spirit. The Student Council sponsored a homecoming parade which paraded through the Greenacres subdivision on Thursday night. Clubs and classes worked their hardest preparing outstanding floats for this parade. The floats were judged and the winner was announced at a pep rally that night. The queen and her court rode in the parade on Corvett Stingrays.

Airline held its ninth annual homecoming ceremony on Friday, October 20. The theme of this year's activities was "Color Me Blue." The main activities were held that night at the Airline-West Monroe game in the Airline Stadium. Miss Brenda Love was crowned Homecoming Queen and the rest of the court was presented to a most enthusiastic crowd of spectators. Fathers of the maids and sweethearts, and outstanding Airline club members served as escorts for the occasion.

Who's Who at Airline High School

Each year, several students are nominated by the faculty of Airline to be in a select group called Who's Who. The number varies each year according to the students who meet the qualifications needed to be considered for this honor. All teachers are asked to consider students for being a recipient of this award. There are four main factors that are taken into consideration by the teachers who nominate these students. First, the individual student must have maintained a certain grade point average throughout his four years at Airline. Also, the amount of leadership he has displayed plays an important role. Service toward the school is used as a factor in nomination of these students. Together, these make up the qualifications necessary to be considered for Who's Who. After the teachers have made their selections, a committee comprised of selected teachers gathers and reads each individual's report and makes the final decision of who will be named as Who's Who from Airline High School.

Norma Bale

Norma Bale has shown outstanding characteristics her entire four years at Airline. She was a member of the band for four years, a majorette for three, a member of Quill & Scroll, National Honor Society, and is a CODAC Teen-Counselor. Norma has been a member of the yearbook staff for two years and served as Editor this year. Norma was also Vice-President of the Student Council and served as Assistant Drum Major for the band this year. She was a Pelican State Delegate and was voted Most Likely to Succeed.

Kathy Bookter

Kathy Bookter has made numerous contributions to Airline in her four years. She was a member of Y-Teens her freshman and sophomore years and was voted to membership in the Beta Club. She became a member of the Yearbook Staff her junior year and served as Business Manager this year. She was inducted into the National Honor Society and was elected treasurer of that society. Her honors include Society of Outstanding American High School Students, DAR Good Citizenship Award, and was a Leadership Conference Delegate.

Steve Haynes

Steve Haynes has excelled in every phase of his school life. He was a member of the football team his entire four years and this year led the team to the state finals. He was a member of the basketball team and the golf team. He was a member of the Key Club and was inducted into the National Honor Society his junior year. His honors include being elected Viking Warrior his junior year and Mr. A.H.S. his senior year. He has also received the Optimist Award, was voted the Most Valuable Player in football, and was a Pelican State Delegate.

Brenda Love

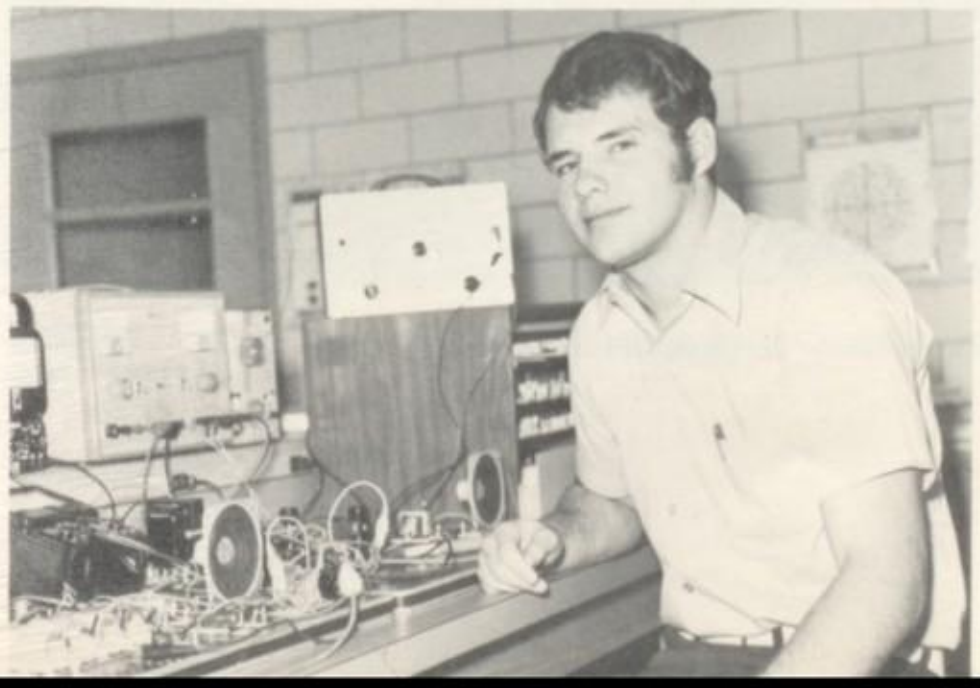
Brenda Love has been an outstanding student her entire four years at Airline. She has been a member of the band for all four years and served as Assistant Drum Major for two years and Drum Major her senior year. Brenda led her class for two years and was inducted into the National Honor Society her junior year. Brenda was a member of the Yearbook Staff and served as Student Council President. She was elected Homecoming Queen her senior year, Miss A.H.S., and was second runner-up in the 1973 beauty pageant.

Sonny McCoy

Sonny McCoy has been an outstanding student throughout his four years of high school. He has been active in all school activities. He was a member of the band for four years, All State Band, All-Star Marching Band, Key Club, Quill and Scroll, and National Honor Society. He has been a member of the newspaper staff, served as Assistant Editor his junior year, and Editor his senior year. His other honors include Leadership Conference Delegate, Boys' State Delegate, and Who's Who Among High School Seniors.

Laura McKnight

Laura McKnight has been active in school activities since her Freshman year. She has been in the band for four years, and has also held membership in the All District and All State Bands. She is a member of Mu Alpha Theta, President of the Beta Club, Vice-President of the National Honor Society, French Club, Secretary of the Student Council, CODAC, was an Interact Club Sponsor, and was on the newspaper staff her junior and senior years. Laura was also chosen as a Pelican State Alternate.



Mark Warner

Mark Warner has been selected by his teachers to receive this honor because of his great ambition and determination shown in all his activities around school. Mark has been on the football team for four years and this year was one of our star players. He was on the basketball team his Freshman year and has held membership in the Fellowship of Christian Athletes for four years. He has been a member of the Key Club for three years and was elected to the National Honor Society. He was also a Pelican State Delegate.

Student Council

The student body of Airline High School was led this year by the Student Council. This was an elected group made up of those in the school who wished to run for office. At the close of the last school year, those vying for the higher offices and the Senators were elected. This group, plus representatives from each first period class made up the 1972-1973 Student Council.

The duties of the Student Council were to conduct all of the elections within the school, not to mention the other school-wide activities. Each year the council had several projects that were either money raising or beneficial to the school as a whole. Some of these included Citizenship Week, Flower Hour, White Christmas, and Homecoming. These activities were planned, worked up, and carried out by the students with the help of the faculty advisor.

COE

Airline Cooperative Education was in its third year with an enrollment of twenty-five. Students enrolled in this program must be seniors who indicate an interest in office careers. These students follow a business curriculum consisting of elementary and some advanced courses in bookkeeping, typewriting, shorthand, clerical practice, office machines, data processing, business English, and general business. After attending classes at school in the mornings, the students receive on-the-job training in community offices in the afternoons. The offices are of a wide variety such as dentists, doctors, insurance, photographers, realtors, and computer centers. At the end of each school year COE honors its employers at a special dinner where certificates of appreciation are awarded, and recognition is given to those who have made significant contributions to the COE program during the school year.

Choir

Here at Airline for her first year, Mrs. Noonan has worked wonders with the three choirs that she taught. Under her guidance and supervision, the 1972-73 choirs helped with the presentation of the annual musical. This year's musical was "The Music Man," which was enjoyed by all who went to see it. Also, Mrs. Noonan was fortunate to have a very talented singer in her choir, Mary Rocks, who was a member of the All-State Choir.

The Airline Band

Completing its ninth year, the Airline Band achieved much. They traveled to towns from Colfax to Baton Rouge, Louisiana.

Dr. Douglas Peterson is the band director assisted by Mr. Prince Barfield. Although Dr. Peterson received the responsibility of assistant principal, he still devoted his time and efforts to the Airline Band.

The band attended pep rallies, football games, parades, many community affairs, and even played for the Shriner Circus. They also attended the District 2 marching contest in November and received a superior rating.

Besides the freshman band and the concert band, there was a new phase added called the Wind Ensemble, which consisted mainly of junior and senior members.

The Viking Band plans to represent Louisiana at the Lions' Club Convention in Miami, Florida this summer.

AFROTC

Without a doubt, AFROTC is the fastest moving group at Airline. Would you believe a 300-mile per hour field trip? This was the first year for AFROTC to be at Airline, but the cadets lost no time in getting involved in the school activities.

Classes came first. Three hours a week were devoted to the academic portion, taught by Major McNair. The cadets learned about airplanes, space craft and the aerospace environment. Two hours a week were spent under the watchful eye of SMSgt. Murphy, the leadership instructor. Besides learning about customs and rules in the Air Force, the cadets learned self-discipline and leadership through the flight drills and by being placed in leadership positions in the cadet corps.

Co-Curricular activities played a big part in AFROTC. In the fall, the Color Guard and Drill Team marched in pre-game ceremonies at the football games. They even had an all-girl flag detail. Five fund-raising projects were the sale of the ceramic Vikings, school pens, Christmas trees, bagging at the Commissary, and the car wash. Three service projects were the Muscular Dystrophy Drive, the toy drive, and visits to the Manor Nursing Home. The cadets were highly impressed by the flight on the KC-135, the highlight of the year.

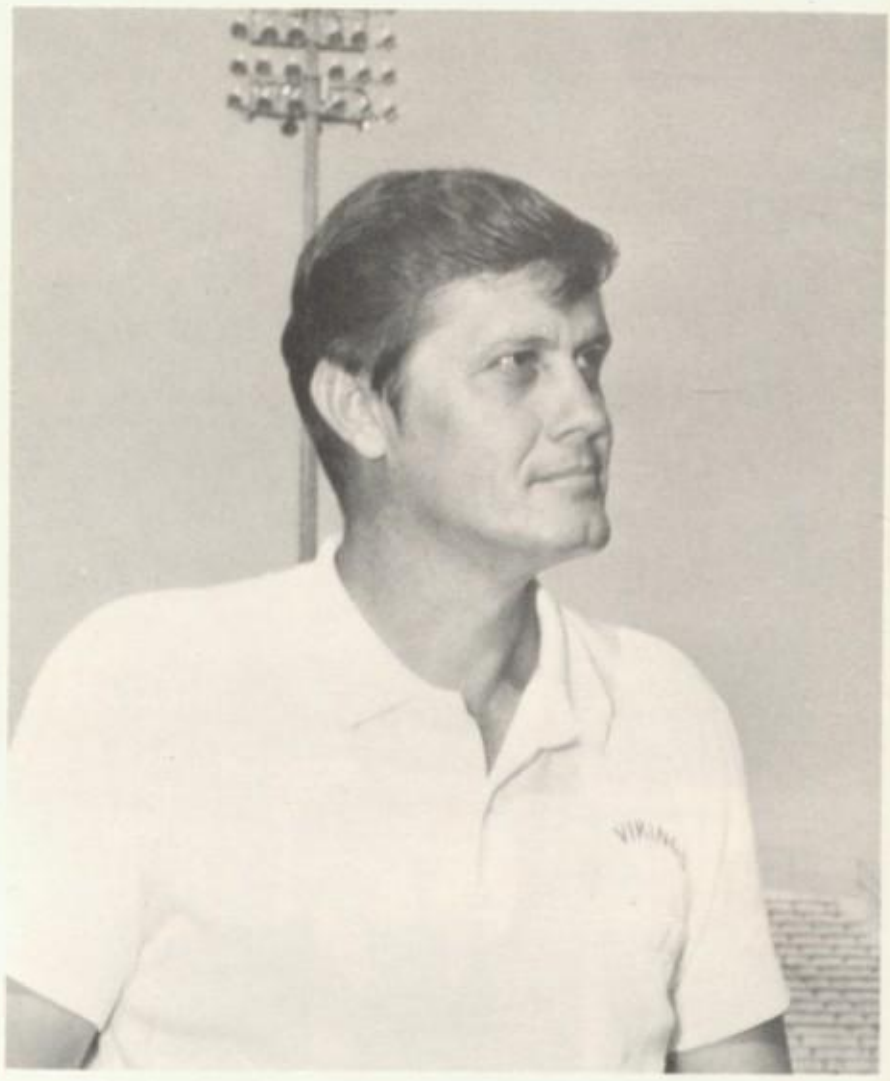
Vikes Were District Champs; State Finalist



For the first time in Airline's nine year history, the 1972 edition of Coach Jack Gray's Vikings captured an undisputed District 1-AAAA Championship. The Vikings accomplished this by beating every team in the Shreveport-Bossier area. But Airline's winning ways didn't stop there. Representing their district, the Mighty Vikings moved into the state playoffs and went all the way to the finals, handily conquering all of their opponents, and finishing with an 11-3 record.

The season began immediately after the 1971 season was over. With a large number of talented seniors, the Vikes had high hopes for the upcoming year. As the season progressed, more teams became victims to the victorious Vikes. Among them were Bossier, Southwood, Captain Shreve, Byrd, West Monroe, Fair Park, Woodlawn, and B.T.W. Then, on marched the Norsemen through the playoffs, all the way to the finals by beating West Monroe, Sulphur and South Terrebonne. Not until the final game did the Vikings drop a 6-0 decision at Neville. But it was evident, as most people knew, that the Vikings had the better team. With all of their desire, pride, and determination, even though they lost on the scoreboard, the Vikings won the hearts of hundreds of people. The 1972 Airline Vikings were true champions.

Airline Skinned Kats

The scene was a very hot autumn night in Bossier Stadium for the debut of the 1972 football season for both Airline and Bossier. It took Airline almost the whole first half to get started, but then the Vikings rolled to a 34-0 triumph — the most one-sided decision in the nine-year history of the traditional rivalry.

The offense sputtered the first half, but two big breaks helped the Vikes put two touchdowns on the board in the first half. The Kats fumbled their first possession on the 28 and Airline scored in five plays. The next Viking score came when a Bossier field goal was blocked by Glen Branch. Ron Johnson picked it up and ran 55 yards for the touchdown.

In the second half, the next two scores came on Steve Haynes to Jim Williams passes for 48 and 23 yards. Williams also added the final marker on a 38 yard pass interception. The Viking defense held the Kats scoreless, making the final score 34-0.

Airline retained the City Championship for the second straight year and took a 5-4 edge in the series.

Cowboys Fell

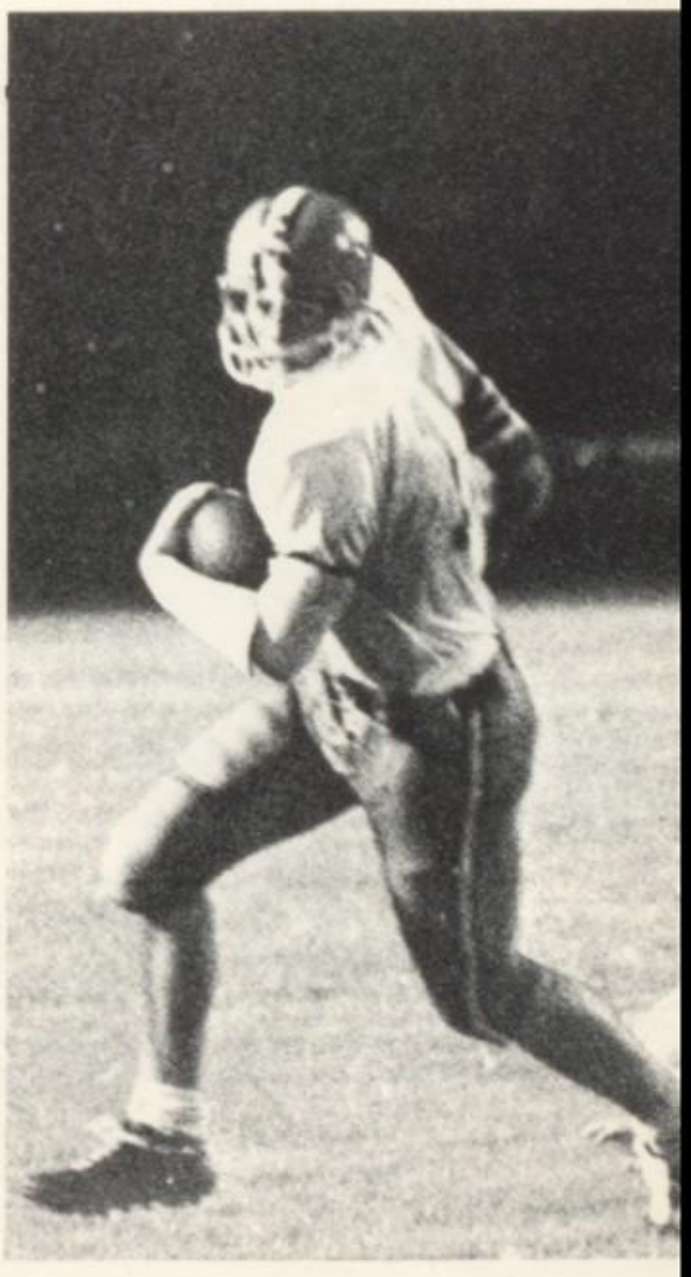
Airline's second regular season game found them matched against a tough opponent, the Southwood Cowboys. This game was the district 1-AAAA opener for the Vikes and Airline came out on top 28-7.

On the Vike's first possession, they showed a display of their great offense as they marched down the field on a 74 yard scoring drive. The touchdown play came on a 49 yard pass from Steve Haynes to Clark Givens. Second quarter action showed the Vikes in control again as they marched 58 yards down the field and Jim Williams busted through from the 3 for the score, and at the half the score was 14-0 in favor of the Vikings.

After the half the Vikes came back with a 6 play, 71 yard scoring drive which was capped off by a two yard scoring plunge by Terry Slack.

The fourth quarter set the scene for the Vikes' final tally. Haynes engineered the Vikings down the field for 43 yards in 4 plays. The score came on a 15 yard pass from Haynes to Givens.

Haynes converted on all 4 PATs making the score 28-7. This win boosted Airline's record to 2-0.



Pigs Slipped Vikes

The Airline Vikings, ranked third in the state, were dealt their first defeat of the year, losing to the Texarkana Razorbacks, 14-12, in a close, controversial game at Texarkana.

The Vikings looked unbeatable in the first period. They ran the first Texarkana punt back for a touchdown but had it called back. That was just the beginning of what was to be a long night for the Vikes. The game was filled with bad breaks and questionable calls for the Norsemen. The Vikings sealed their own doom with two costly turnovers in the final three minutes of play. The potent Viking offense had an off night, throwing four interceptions.

The loss dropped the Vikings' record to 2-1 for the season.

Vikes Chomped Gators

The Vikings made it happen on a mild Saturday night, witnessed by well over 10,000 fans in Captain Shreve Stadium. It was a moment the Vikings had long been waiting for and one that will be remembered for a long time to come. Airline demolished Capt. Shreve 34-20, to mark the first time in history the Vikings had ever beaten the Gators. It was the Gators first league loss since 1969, but this was the Vikings' night.

It was a night in which many records fell. Steve Haynes passed for 393 yards, completing 18 of 30. The Airline running game added another 100 yards. The mighty Viking defense was just as impressive. It was brilliant, completely controlling the Gator offense.

The Viking scoring came first on a six yard Haynes to Jack Tuttle pass. Next, Mike Barnard recovered a Gator fumble in the end zone for the second TD. This left the score 13-13 at the half. But in the second half, Haynes exploded on bombs of 35 and 64 yards to Ronald Johnson for touchdowns. His 44 yard TD pass to Andy Anderson clinched the victory. Clark Givens caught 9 for 164 yards for another school record.

The victory left the Vikings in command of District 1-AAAA going into next week's second big showdown against Byrd.

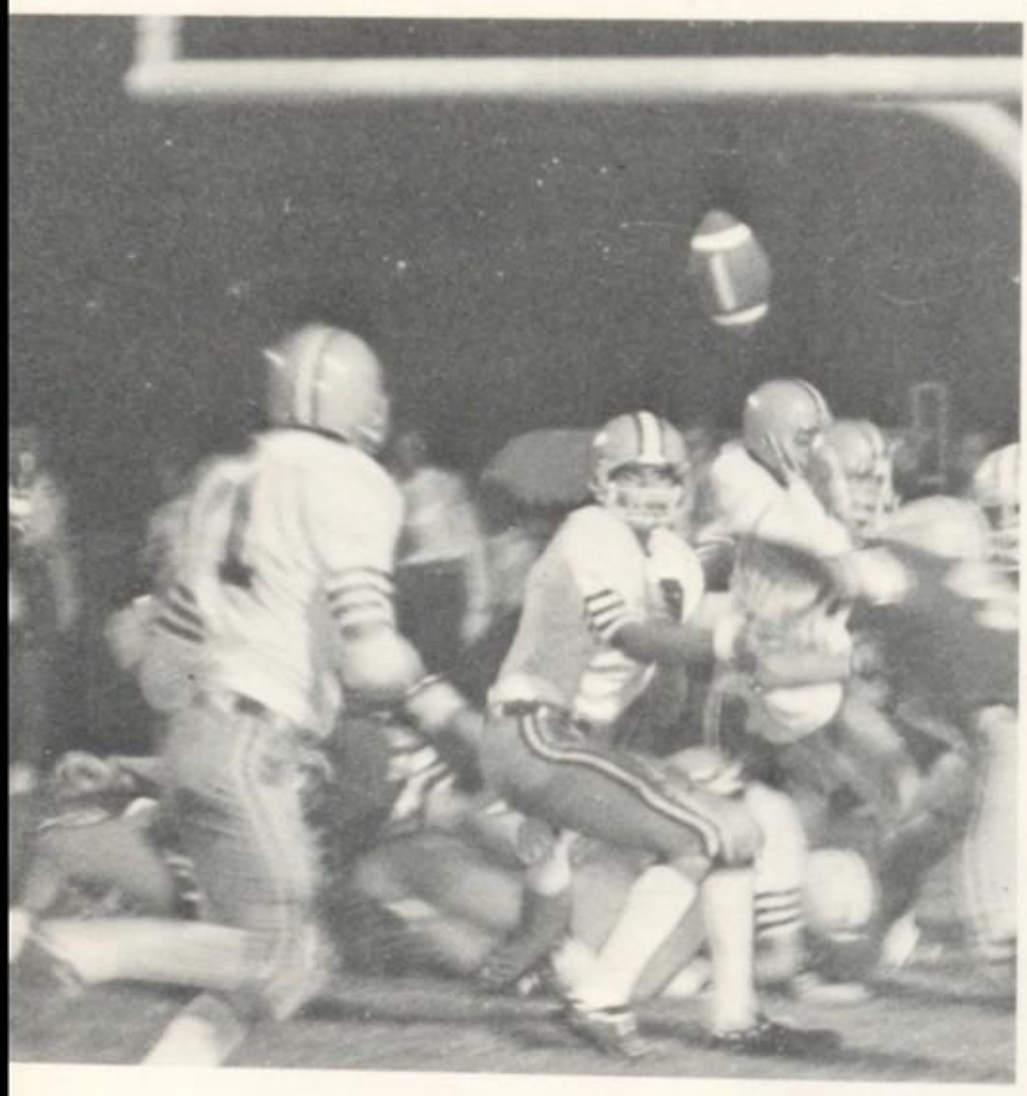
Big Blue Bombed Byrd

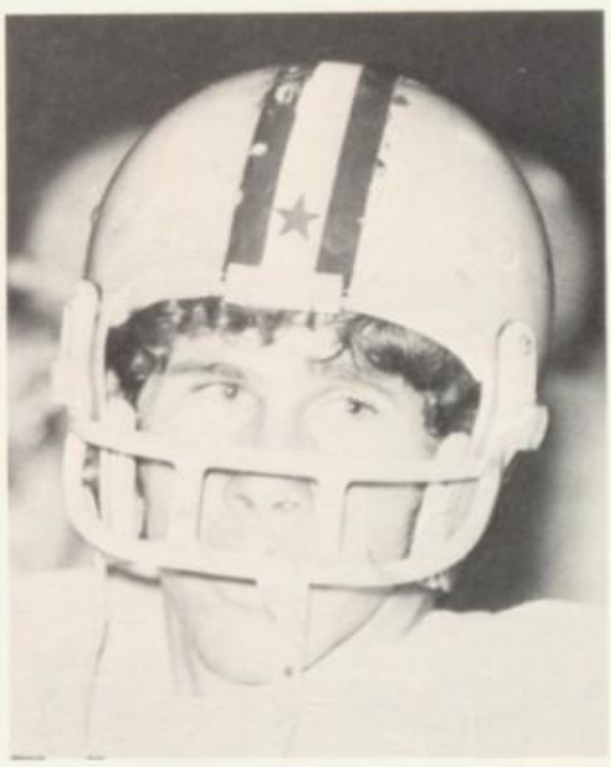
The Airline Vikings moved a step closer to the district crown as they smashed previously unbeaten Byrd, 28-6. It was the second "Game of the Year" in as many weeks for the Vikings as revenge for last year was on their minds.

A fierce wind played a key factor in the game. Byrd scored first at the end of the first period but missed the PAT. Airline then drove 41 yards in the second quarter for their first TD. The drive was climaxed by a one yard sneak by Steve Haynes. A short Jacket punt resulted in the Vikes second score on a 44 yard drive. With less than a minute left in the half, the tough Viking defense forced a Jacket fumble recovered by Leo Stevens. The next play, Haynes hit Jack Tuttle for a 14 yard TD. On the first play after the kickoff, Byrd again fumbled and Stevens recovered. Haynes repeated to Tuttle for an 11 yard TD with 20 seconds left in the first half. Airline had scored 21 points in 24 seconds. This put the ice on the game for the Vikes.

Although Haynes totaled on 79 yards passing, the Viking running attack amassed 250 yards. This was accomplished by going to the wishbone offense as John Papageorge gained 60 yards; Terry Slack, 56 yards and Haynes keeping for 51 stripes. This was made possible by the offensive line tearing gaping holes in the Byrd defense. The Viking defense held the Jackets to only 12 yards rushing.

The win left the Vikes in undisputed first place in District 1-AAAA with a 3-0 record.





Vikes Got Stung

Airline's sixth game of the season found them traveling to Greenville, Miss., to play the defending Mississippi state champions.

The Vikings found the going tough as the Greenville Hornets put two first half touchdowns on the board making the score at half 14-0, in favor of the Hornets. The Norsemen came out fighting in the second half. They put their first points on the board early in the fourth period but missed the two-point conversion try. With time running out in the game, the Vikes drove the ball deep into Hornet territory. With 35 seconds remaining, Steve Haynes passed to Jim Williams for an apparent TD to tie the game. But the officials called the play back on a holding penalty as time ran out.

The loss set back Airline's record to 4-2 and made it a long trip home.

Vikes Conquered Rebs in Homecoming

After a stale first half Airline Homecoming fans delighted to see their Vikings take the victory 28-7.

The first half not being very productiye for either Airline or West Monroe showed each team scoring only once in the second quarter. Airline's score came on a 21 yard aerial to halfback Terry Slack from quarterback Steve Haynes with only two minutes remaining in the half. The score was set up when Stan Harris recovered a West Monroe fumbled punt on the 36.

Second half action showed Airline a little more inspired as they exploded into a three touchdown, 21 point scoring burst. In the third quarter Ronald Johnson caught a pass at the 15 and danced easily into the end-zone. other third period action showed Terry Slack returning a W.M. punt 57 yards and a touchdown.

The last period had Airline only scoring once and it was Johnson getting the call again on a pass from Haynes for his second score of the night. Steve Haynes toed all four PAT's making the score 28-7.

This non-district game brought the Vikes record to 5-2.

Vikes Kept Rolling

After a Thursday night postponement due to a torrential downpour, the Airline Vikings faced cross town rival Fair Park. The game played on Saturday found the Vikings lacking something; however, they did win 8-0.

The only score in the game came early in the first quarter on a pass by Airline quarterback Steve Haynes to split-end Clark Givens. John Papageorge ran over for the two point conversion after Fair Park was off side twice. This made the score 8-0 and that was the way it remained.

Later in the game Airline had another chance to score and add insurance points but a missed Haynes field goal lost the points. This game gave Airline a great lead in District 1-AAAA play with a 4-0 record, and a 6-2 record overall.

Knights Fell Hard

Outstanding defensive plays led the way to the Airline Vikings' fourth straight win in as many years over the Woodlawn Knights. This year's romp showed Airline taking a 42-0 victory.

Six interceptions and a fumble recovery set the scene for the slaughter. Although the defense was great, the offense wasn't bad either. Steve Haynes hit 11 of 23 passes for 216 yards. The Airline running backs churned out 124 yards on the ground.

The first half proved to be the most productive for the Vikes as they scored 35 points. The scoring came on Haynes passes to Ron Johnson, Jim Williams and Clark Givens. John Papageorge added two more TDs on short runs and Jack Tuttle scored on a 64 yard pass interception.

Although the Vikes only scored once in the second half, the second team played most of the fourth quarter. This victory wrapped up the District 1-AAAA Championship for Airline with a 5-0 record and 7-2 overall.

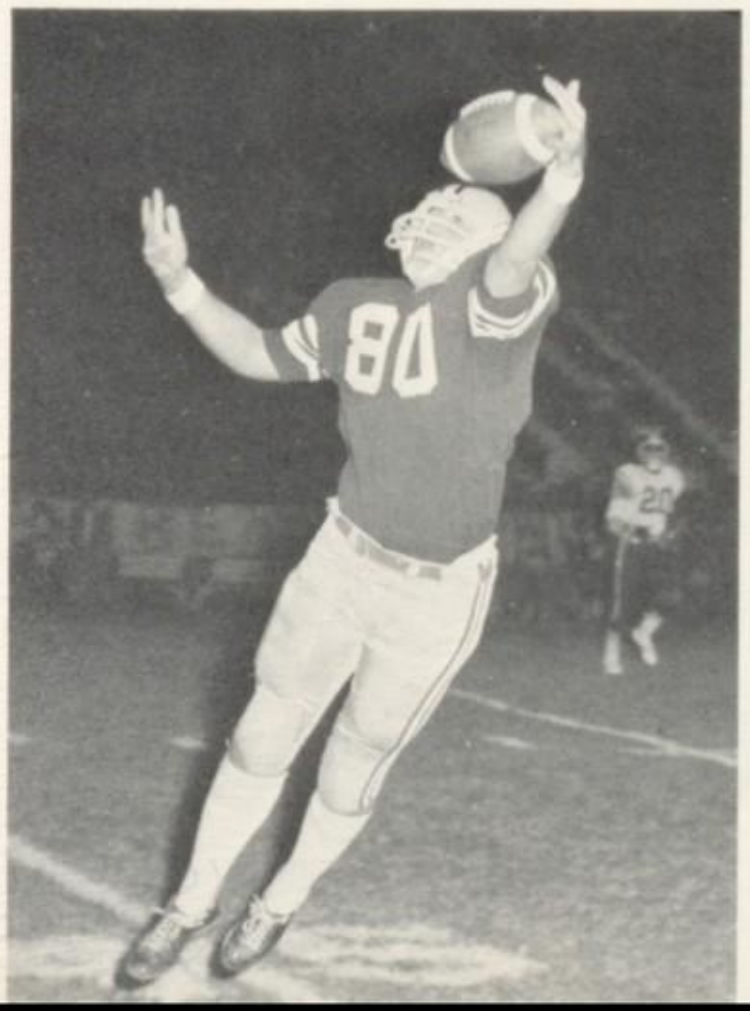
Vikes Won District

For the first time in the history of Airline High School, the Vikings won the District 1-AAAA championship with an undefeated district record. The Vikes beat every team in Shreveport and took a state playoff berth in the process. Airline accomplished this by downing the Booker T. Washington Lions 30-13.

The game didn't start very well for the Vikings, for in the first half they only scored once. B.T.W. matched this to tie the score at half at 7-7. The first half score came by John Papageorge, who also had the Vikings first hundred yard rushing game this season.

The second half had the Vikings back to their old ways in scoring 23 points and holding B.T.W. to 7. Jim Williams, Terry Slack, and John Papageorge combined their rushing talents for the points. Williams and Slack scored from 3 and 13 yards out respectively, each adding a two point conversion. Papageorge finished it up with a 50 yard TD scamper.



Vikings Opened Playoffs With Convincing Win

Airline opened the state playoffs at home against the Rebels of West Monroe. The Vikings had beaten the Rebels earlier in the season and won this one-sided decision 35-0.

Airline's defense was superb in allowing only 26 yards rushing, 17 passing, and only three first downs.

While the defense was doing their thing, the Viking offense did a little of their own. The Norsemen had a total of 341 yards, 171 yards rushing, 170 yards passing, and racked up a total of 18 first downs.

The scoring went as follows: A 70 yard pass from Steve Haynes to Jim Williams, a one yard run by Micky Morgan, a one yard sneak by Haynes, a 12 yard jaunt by Jim Prothro, and Jim Williams on a 5 yard smash. Haynes added all five PATs.

This opening win set the Vikes up in the quarter-finals against the Golden Tornadoes of Sulphur.

Vikes Nipped Tors

A rain-soaked field and rain throughout the game did not dampen the Vikings spirit as they traveled to Sulphur for the State quarter finals. The Vikes won the mud-fest 14-12.

The Viking defense was again brilliant but the offense was there when it counted. John Papageorge led the way for 100 yards on 14 carries, and Mickey Morgan added 65 yards on 9 attempts and 1 TD.

The Vikings led at half 6-0. In the second half Ronald Johnson scored on a pass from Steve Haynes and Jim Williams went over for the two point conversion. Sulphur came back and scored two touchdowns but it was all in vain as the Viking defense stopped both PAT attempts. This left the score at 14-12 and put the Vikings in the semi-finals.

Vikes Bagged Gators

For the second time in three playoff games the Airline Vikings shut out their opponents. This time the victim was the South Terrebonne Gators. The score was 21-0 and the Vikes moved into the state finals.

The Defense only allowed 52 yards running and 51 yards passing for six first downs. This great defense inspired the offense to score 21 points. Seven in the first half on a pass from Steve Haynes to Clark Givens with only seconds left in the half. Fourteen points were scored in the second half. Jim Williams made a great catch of 37 yards to set up the next score which was his own as he smashed over from the one making the score 14-0. Jack Tuttle finished off Airline's scoring with a five yard pass from Haynes.

This made the total 21-0 and set the Vikes up for the state AAAA championship game the next week in Neville.

Airline Fought Hard in State Finals

For two days prior to the state championship game between Neville and Airline it rained. It rained almost constantly until gametime. The floor of Neville's stadium was pure mud and completely drenched with rain. It was exactly what Neville wanted because about their only chance of beating the Mighty Vikings would be in that kind of weather. The Tigers got their wish and won 6-0. It was their kind of field and their kind of game. But it could have been so much different if . . .

The bad weather was the equalizer. It took away what the Vikes did best — pass. Quarterback Haynes just could not set up in the mud or grip the mud-soaked ball. The Vikes coould not get rolling. Neville controlled the ball in the second half and their only score came in the fourth quarter after a controversial call.

In the tearful Viking dressing room after the game, Coach Jack Gray told the seniors that this was his last game as a Viking. In his final season, Gray led his Vikings to a District crown and an 11-3 record.

. . . in tune with you

We like to think we're on the same wave length — doing our thing so you can more easily do your thing. We, too, are concerned about the environment, pollution, the population explosion, slum erradication . . . the same things that bother you. That's why supporting local community efforts, school activities, club work is second only to our primary job of supplying low-cost, dependable electricity.
